Annual Cost Due with First Trip \$

Terms

1. This Agreement is between the customer named above and Power Plus Electrical Service, Inc. (PPES)
2. PPES will provide two (2) service trips per year with a 6 month interval between the trips.
This Agreement can begin with either trip.
3. Trip 1. Annual maintenance, includes oil and filter change, air filter change, spark plug change.
37 point inspection.
4. Trip 2. Inspect generator with our 37 point inspection.
5. We will contact the customer to schedule the appointment(s). If a voicemail, email or text message is sent, it is the customer's responsibility to reply and schedule the trip.
6. The term of this Agreement shall be one (1) year from the date specified below, and it shall be automatically renewed for an additional one (1) year period, and from year to year thereafter, unless the customer requests termination in writing of this Agreement with at least thirty (30) days notice prior to any expiration date. Nothing in this Agreement shall be construed as a guarantee by PPES of any continued obligation of services after the expiration of this Agreement.
7. The list of services set forth above is exclusive, and the parties agree that no provision of this Agreement shall be construed as a product repair and/or replacement warranty, or a warranty of any other type. We cannot control manufacture defects, and/or typical failure because of normal and/or abnormal use. This Agreement shall not be construed to hold PPES liable for damages caused by the failure of the generator or transfer equipment. This Agreement is strictly a maintenance service agreement only. PPES will not be liable for any special, incidental or consequential damages resulting from any party's negligence or breach of warranty, including, but not limited to, damage to or loss of other equipment or property, loss of profits or revenue, expenses (including attorney's fees), or business interruption, as a result of the installation, maintenance or service of the generator.
